

# **NINDS/NIH perspective on Data Sharing**

**Patrick SF Bellgowan, Ph.D.**

Deputy Associate Director

*Division of Neuroscience / NINDS / NIH*

***psfb@mail.nih.gov***

National Institute of  
Neurological Disorders  
and Stroke

# NINDS/NIH perspective on Data Sharing

## NINDS Mission

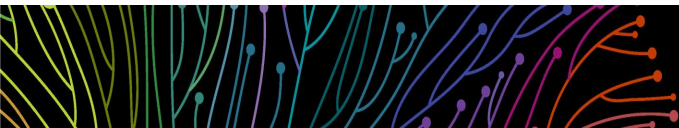

The mission of NINDS is to seek fundamental knowledge about the brain and nervous system and to use that knowledge to reduce the burden of neurological disease.
